

CLASSY ARTIST BOX KIDS!

WALL HANGINGS: LEVEL 1

Finished work will vary based on age and ability. See the parent's note for more details.

For this project, you will need a wooden dowel, 15 pieces of 15" yarn, 20" of jute, and a kid-safe scissors.

Warning: Adult supervision required

1. Place a piece of yarn horizontal on the table in front of you. Then, put the dowel vertically over the yarn.

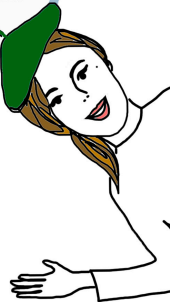

2. Take both ends of the yarn and crisscross them to make it look like the letter X!

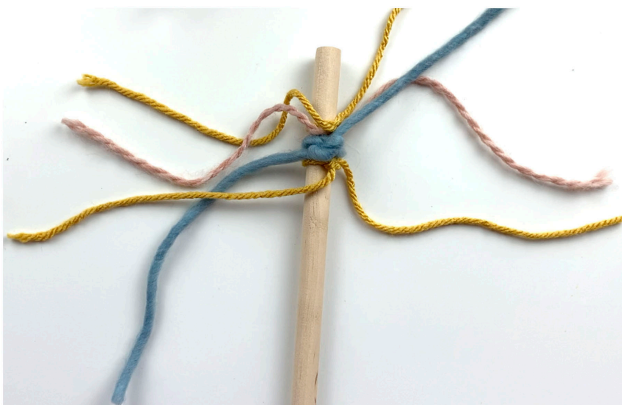

3. Then loop one end under and pull both ends tight. This is how you make a knot!

Tying knots is fun! This project helps us practice this awesome trick!

4. Repeat steps two and three to make a DOUBLE knot!

5. Repeat the steps to tie on yarn. Consider making a pattern like:

yellow, pink, blue
yellow, pink, blue

6. Arrange the fringes so that they are evenly spaced on the dowel. It's ok if there are only a few of these, just spread them out.

7. Tie one of the jute strings on each end of the dowel to use as a way to hang your "fiber art"!

8. Optional: Use scissors to carefully trim the bottom of the fringes into a shape or straight line!
